The October meeting will be held at the Childrens Hospital Auditorium, 4650 Sunset Blvd., Los Angeles. The auditorium is 1/2 block east of the hospital on Sunset and Rodney Dr.

There is ample security parking for one dollar or street parking nearby. The cafeteria closes at 7 PM. Members have been meeting at the Spaghetti Factory on Sunset for dinner at 5:30.

Remember, a Los Angeles City ordinance forbids smoking inside the building. Also, we must leave by 10 PM.

The program for the evening will be a slide presentation by Al Friedman, K6YRA, on his recent honeymoon/vacation/DX-pedition to OH0, OH1, OH2, SM0, SM4, SM6, LA and OZ.

The long- awaited club roster should be complete and available for distribution at this next meeting. They will be available for pick up at this meeting and the following meeting in November.
Anyone missing out at these two meetings will have another chance at the Christmas dinner. Special thanks to Randy, NZ6N, for finding us a printer at a reasonable rate and to Bill, WK6V, for his assembly of the whole project.

LETTERS

The following was received from YASME dated Sept. 20, 1986.

Dear Friends,

Lloyd Colvin, W6KG, and Iris Colvin, W6QL, are going forth on a half-year YASME DXpedition, starting 1 October 1986. This DXpedition is dedicated to the memory of the famous DXer, Don Wallace, who became a silent key a year and a half ago. Don was president of YASME for ten years and traveled to about 100 countries in his lifetime.

LETTERS Cont'd.

Lloyd and Iris expect to spend most of the DXpedition in the Indian Ocean area, and, as usual, will spend about three weeks at each stop. Last year, Iris and Lloyd made 50,000 QSO's during six months in countries of southern Africa. This year the first operation will include the CQWW Phone Contest in October. All QSLs go to the YASME FOUNDATION, P.O. BOX 2025, Castro Valley, CA 94546.

To Make Yasme contacts even more interesting and to encourage QSLing, a new YASME Supreme Award is announced. It is a beautiful YASME boat trophy and requires that QSLs for 60 different YASME calls, operated by YASME officials be submitted to WOMLY. There is no charge for YASME awards.
